

Expression of Interest - CPP Board

We are seeking **Expressions of Interest** from individuals interested in being considered for appointment to the CPP Board who

- can be advocates for the CPP award
- contribute to the CPP Board advice, insight and understanding of standards based performance assessment in professions and of issues impacting school leaders
- are engaged with the principal profession and the broader community of CPP stakeholders, and
- whose knowledge, skills and experience can assist the CPP Board undertake its duties.

The [Terms of Reference](#) for the CPP Board are published on the CPP website.

CPP has been developed by and for principals. The CPP Board has been established to ensure that CPP continues to be informed by the voice of the principal profession, providing authority and standing for principal certification, and ensuring the quality and integrity of the CPP award.

The CPP Board is the Certifying Authority which awards the certification. It is an independent body, made up of knowledgeable and experienced volunteers.

The CPP Board is not a governance board. Its members are not Directors and have no executive function. Members of the CPP Board are not CPP assessors.

The CPP Board provides advice, informed by the principal profession, to assist decision making, monitoring and the framework of policies, structures, relationships, systems and processes that collectively form CPP Principal Certification. Its membership incorporates professional, theoretical and business expertise and experience sufficient to provide the appropriate levels of judgement and scrutiny.

The CPP Board will

- meet by video conference four times per year
- report to stakeholders annually

Key activities of the CPP Board include:

- consideration of recommendations for the CPP award
- monitor the validity and reliability of the assessment process
- monitor the integrity of the CPP award, including appeals and reviews
- advising on strategic direction to position CPP for growth and recognition
- advocacy for CPP

Reflecting its scope and role, the CPP Board will comprise members who collectively have the following skills:

- record of successful school leadership
- understanding of the intellectual underpinning of principals' work
- understanding of the development and application of principal performance standards
- understanding of standards based performance assessment in professions
- other skills and knowledge relevant to certification and regulation of professions, including risk management, legal requirements, marketing, communications and stakeholder engagement.
